NEW PRODUCT LINE NEW MANUFACTURERS

Beginning January 2012 Encon will stock pedestrian gate closers and accessories and all associated door hardware from International Door Closers (IDC), Cal Royal Products, Inc. and Lockey USA. We are extremely excited about this new product line because it compliments our existing inventory perfectly. If you are interested in learning more about the specific products Encon will offer or if you want to receive customized training on pedestrian gate closer installations, please contact us at 800.782.5598.

Building On Innovation.

"Paul was very informative and easy to understand."

- Kevin Williams, Statcomm Inc.

"I liked the wide spectrum of products covered and the practical installation notes."

- Kurt Ditmer, AV Lock

"Very informative product overview and great field tips."

- Oscar Castaneda, Artistic Metalworks & Design

"When I think of quality I think of Joe Weber of Encon. He is always there to answer questions and suggest the best products for the job and the best way to install them. Betty and Joe are fantastic to work with."

- Lyman Gandy, Gandy and Associates

"The whole seminar was solid. I liked the troubleshooting tips the best."

- John Journagan, WD Gate Systems, Inc.

DOORKING SERVER - IMPORTANT UPDATE

DoorKing recently implemented changes to their DK IM Server Program. If you are using older versions of the software or the DK-Internet Modem server for your programming, you will start experiencing problems with the DK IM Server. To minimize these problems, YOU MUST RE-REGISTER! Beginning January 1, 2012 you **MUST BE REGISTERED** and minimal **FEES WILL APPLY**.

For details on all the changes and/or to register, please visit: www.doorking.com/connect.
