THE  
**RSW12V**  
REPLACES ROBOSWING

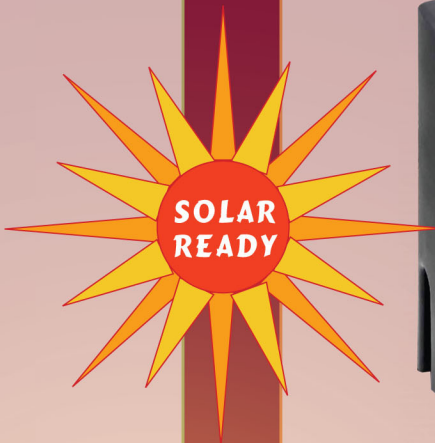

UL325 LISTED

THE  
**RSL12V**  
REPLACES ROBOSLIDE

UL325 LISTED

**CHAMBERLAIN®**

Encon is excited to introduce the new Elite Series residential swing and slide gate operators from Chamberlain LiftMaster. Both units are DC powered and come with Built-In Battery Backup.

Beginning July 2010, the RSW12V and RSL12V will replace the ROBOSWING and ROBOSLIDE. The new residential operators offer the same great features of the RoboSwing plus Electronic Limit Switch systems and the solar ready Evercharge Power Management Systems. They are also both UL325 Listed.

*Call Encon to order the new RSW and RSL today!*
