UPCOMING EVENTS

LINEAR SEMINAR (REGISTRATION FORM ON BACK)

On Thursday, November 17th Encon Electronics will host its third technical seminar in three months. This workshop will feature leading access control manufacturer Linear Corporation. Technical Trainer Paul Jones will be joined by District Sales Manager Chuck VanSickle for a presentation on Linear's extensive line of telephone entry systems and access control products. They will also provide software training, a complete overview of Linear's gate operators and details on their unique APeX controller.

TRADESHOWS

AFA FENCETECH - January 25-27, 2012
Miami Beach Convention Center
Miami Beach, FL
Encon Booth #1122

"I appreciated the opportunity to talk troubleshooting with the Viking tech directly."
- Steve Cleveland, Tholl Fence

"The speaker was very well informed and openly encouraged feedback. He kept it interesting throughout."
- John Bridston, Ornamental Iron Supply Depot

"Lots of great information and an excellent knowledge base."
- Simon Elman, Simon's Home Automation

"My favorite part was interacting with the personnel of Encon, and Daniel Perez was very informative."
- Octavio Avila, Avila Iron Works

"I appreciated the technical depth of the seminar. Daniel is the best."
- Howard Tracy, Ornamental Iron Supply Depot

VIKING SEMINAR
