SOCCER STUD ENCON NEWCOMER SHANE KILBY

"Encon provides a good environment that always keeps a smile on my face and my fellow colleagues"

Upon referral from brother and Encon tech Justin, Shane Kilby was hired to join our Order Entry Department on January 11, 2010 and so far, Shane loves what he calls his first "real" job.

"I like the set schedule and working with our customers on the phones. I know I'm the new kid on the block but everyone has welcomed me... being Justin's little brother may have something to do with it."

We can attribute Shane's smooth transition into the Encon family to his easy going personality and hard working attitude. He processes orders and answers the phones regularly and always manages to do it with a smile.

Shane is also childhood friends with Encon long timers, Daniel Forte and Mark Sousa who have known him literally all of his life. Mark remembers Shane as being very athletic growing up. According to Mark, Shane always played a sport throughout the year and he especially excelled at baseball and soccer. Danny recalled how Shane was a 4 year varsity soccer player at Hayward High School and their team captain. He was also All Hayward Athletic League selection. Shane's time playing soccer in high school and at Chabot College in Hayward, CA enabled him to travel all over Northern and Southern California.

Shane still actively plays soccer for the 3-peat champions Hayward Stompers, teaches at soccer camps throughout the Bay Area for kids ages 3-12 years old and coaches his little sister's team.

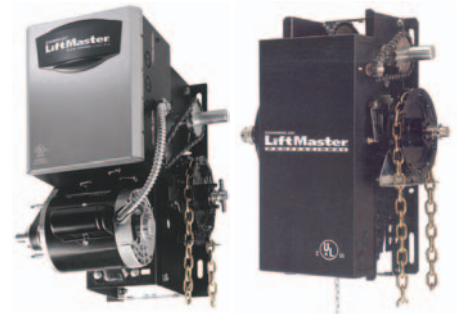

He is also an avid Bay Area sports fan supporting the Oakland A's, Raiders and the Golden State Warriors. He is a proud Raider Season ticket holder and a huge video game player. Shane recently joined a Tuesday night bowling league with his girlfriend of 2 years Kira and her family.

Besides sports, Shane enjoys spending time raising a variety of reptiles which now includes a Monitor Lizard and an Albino Western Diamondback Rattlesnake.
